What Residents are Saying

Elaine.

"I want to express my sincere gratitude to you and the entire team, Ruby, Nila and Cesar. Everyone here has been so kind and welcoming, and I've truly enjoyed my time at Blake. I consider it my second home, and for that, I am deeply thankful. In the future, if any of my friends ask for apartment recommendations in Berkeley, I will certainly recommend Blake at Berkeley:)"

Oakland Earth Day

Land A Helping Hand To Mother Earth

Celebrate Earth Day by giving back to our beautiful community! On Saturday, April 19, 2025, Oakland will host its 31st Annual Earth Day event—a citywide day of environmental service. Volunteers will engage in activities like tree planting, weeding, pruning, and habitat restoration across various local sites. To find a project near you and join your neighbors in making a tangible impact, visit the City of Oakland's Earth Day page. Let's unite to nurture our environment and foster a greener future for everyone.
