What Residents are Saying

RW.

"Got recommended here by a friend. Solid place. Convenient facilities/utilities. Decent location, about 20 min walk to UC campus with multiple bus stations all around. The building is nicely managed with supportive staff. Decently-managed mailing system and amazon lockers. A nice roof top area and entertainment facilities on the first floor. Their policy is international student-friendly if this is your first time in the U.S. and don't yet have a credit

record or bank account.”
