Live Well

3rd Saturday Shoreline Cleanup

Give back to the planet and enjoy some fresh bay air! This month's Live Well feature is the Shoreline Cleanup at the Berkeley Waterfront. On Saturday, March 21, join fellow community members at the Shorebird Park Nature Center (160 University Ave) from 9:00 AM - 11:00 AM. It's a great way to stay active, meet eco-conscious neighbors, and help keep our beautiful coastline pristine. Gloves and buckets are typically provided—just bring your reusable water bottle and some sturdy shoes!

North Coast Award Winner!

We're proud to celebrate our Business Manager, Ruby Ramirez, as a 2025 North Star Award recipient. The North Star Award recognizes someone who serves as a true guiding light, and Ruby embodies that in every way. At The Blake, her leadership is felt daily — in the way the team supports one another, in the experience our residents have, and in the steady standard of care she upholds behind the scenes. Ruby brings consistency, heart, and intention to this community, and this recognition reflects the impact she continues to make. We're incredibly grateful for her leadership and proud to honor this well-deserved achievement.
