What They're Saying

"Living here has been such a great experience! Nila from property management and Cesar from maintenance are

the absolute best. Any time something comes up, they're right there to help and always go out of their way to make sure everything is taken care of. It doesn't feel like one of those faceless property management companies, you actually see them around every day, and they're always friendly and available. They really make this place feel like home. Couldn't ask for a better team!" - II

Live Well

North Coast Summer Digital Food Drive

North Coast Living's annual Summer Digital Food Drive is here! Running from June 29–July 29, helping support local food banks across the communities we serve. At Blake, donations will benefit Samaritan House, providing critical resources to families throughout San Mateo County. Every dollar donated can provide nearly three pounds of food and allows food banks to purchase fresh essentials like milk, eggs, produce, and meat. To maximize the impact, North Coast Living will match all monetary donations, doubling our community's contribution.

Join us in donating to support neighbors in need.
