What They're Saying

"It all started three years ago, when she was still my girlfriend. Two years ago, we got married. And now, she is the mother of my child.

Two years ago, we spent a wonderful time here. From Peter to Ruby and Cesar, and now to Leonila, they have been more than just the people who manage this building. To me, they are my friends.

Because we needed to take care of our child, we spent two years overseas. When I came back and saw them

again, it felt like seeing old friends of mine and my wife's.

Believe me, this is not just an apartment. This is truly a sweet home.

Live Well

Caesar Chavez Park

Live Well: Sunset Strolls & Sea Breeze at Caesar Chavez Park

Looking to clear your mind after a long workday? Take advantage of our proximity to the Berkeley Waterfront! Caesar Chavez Park offers wide, paved trails with breathtaking views of the Bay, the Golden Gate Bridge, and the San Francisco skyline.

The Mindful Mindset: Getting near open water and enjoying the coastal breeze (often called "blue space" therapy) naturally lowers cortisol levels and resets your mental bandwidth.

Make it a Habit: Grab your favorite podcast or walk with a neighbor along the 1.5-mile perimeter loop as the sun sets over the bay.

Pro-Tip: Pack a windbreaker! The bay breeze kicks up right at dusk, making it refreshingly cool compared to inland temperatures.
